

Your summary of benefits

Anthem® Blue Cross

Your 2025 Contract Code: 800T

Your Plan: Anthem Platinum HMO 0/20

Your Network: California Care HMO

This summary of benefits is a brief outline of coverage, designed to help you with the selection process. Unless stated otherwise, services received in an office, Ambulatory Surgical Center, or outpatient facility are combined across all outpatient settings. This summary does not reflect each and every benefit, exclusion and limitation which may apply to the coverage. For more details, important limitations and exclusions, please review the Evidence of Coverage (EOC). If there is a difference between this summary and the Evidence of Coverage (EOC), the Evidence of Coverage (EOC), will prevail.

Anthem Blue Cross HMO benefits are covered only when services are provided or coordinated by the primary care physician and authorized by the participating medical group or independent practice association (IPA); except OB/GYN services received within the member's medical group/ IPA, and services for mental health and substance use disorders. Benefits are subject to all terms, conditions, limitations, and exclusions of the EOC.

Notes:

- Benefit period refers to calendar year.
- For additional information on this plan, please visit www.sbc.anthem.com to obtain a “Summary of Benefits and Coverage”.
- If services are rendered by a non-participating provider and your plan includes Out-of-Network benefits, you may be responsible for any difference between the covered plan payment and the actual non-participating provider’s charge.
- For plans with an office visit copay, the copay applies to the actual office visit and additional cost shares may apply for any other service performed in the office (i.e., X-ray, lab, surgery), after any applicable deductible.
- The limits for physical, occupational, and speech therapy, if any apply to this plan, will not apply if you get care as part of the Mental Health and Substance Use Disorder benefit.
- Certain services are subject to the utilization review program or precertification. Before scheduling services, the member must make sure utilization or precertification review is obtained. If utilization or precertification review is not obtained, benefits may be reduced or not paid according to the plan.
- Coverage includes standard fertility preservation services as a basic healthcare service including but are not limited to, injections, cryopreservation and storage for both male and female members when a medically necessary treatment may cause iatrogenic infertility. Member cost share for fertility preservation services is based on provider type and service rendered.
- This health plan includes an Employee Assistance Program (EAP) to support your emotional health and wellness with work life resources, including one-on-one counseling by phone, in person and online. Three counseling visits are available at no charge to a member. EAP member service is accessible 24/7/365.
